Township of Tiny Council approves the 2023 Budget

Date: March 20, 2023

(Tiny, Ontario) The Township of Tiny Council approved the 2023 Budget at the Regular Meeting of Council on March 15, 2023.

The 2023 budget ensures Township's programs and services are supported to provide for the quality of life we enjoy in our community.

"The 2023 budget includes a number of short and long-term financial planning strategies to maintain current services while addressing growth demands and important enhancements," said Mayor David Evans. "The 2023 Budget sees a municipal tax rate increase of 10.82% or *5.96% (*pending final County Budget) blended which equates to \$35.60 in the municipal portion of the tax bill for every \$100,000 in residential assessment. The increase captures our continued focus on ensuring the responsible fiscal management of the Township. We value the feedback provided by community members, the responsible input of Township Staff, and the collaborative efforts of Council in delivering the 2023 budget".

2023 Budget Highlights:

- \$3.79m invested in paving and road preservation improvements, including 250k invested in climate change projects in the area of drainage resilience. 2023 budget initiatives include replacing approximately 15 kilometres of asphalt, 4 kilometres of tar and chip, and 6 kilometres of micro surfaces;
- \$1.05m injection into major fleet equipment including purchasing a new plow truck, sidewalk plow/tractor, sander units, a one-ton and ¾ ton truck;
- \$900k investment in water system infrastructure improvements including \$250k for a water main connection between Sawlog Bay and Georgian Bay Estates and the first phase of the installation of residential water meters in Perkinsfield;
- \$1.13m investment in beach and park amenities including phase 1 construction of the Toanche Pavilion, which will include a covered natural ice surface, washrooms/changerooms and a kitchen, new outdoor fountain/water bottle fillers at multiple parks (pending Ontario Trillium Grant), Balm Beach walkway replacement, including new trees and gardens, rest areas along Tiny Trails, rolling boardwalks at various beach accesses as per the local aging plan, as well as, replacing the Wyevale Park playground;
- Continued financial support for regional priorities including the Economic Development Corporation of North Simcoe; Severn Sound Environmental Association, Georgian Bay General Hospital Foundation, Family Physician Recruitment, Community Reach, Wheels for Wheels, Cultural Alliance and Virtual Care Physicians;

- Continued support to the three arenas – Midland, Penetanguishene, and Springwater. As well as the three partner libraries – Midland, Penetanguishene, and Springwater.
