Township of Tiny celebrates Earth Week 2023: Investing in Our Planet

Join the World's Largest Environmental Movement with us!

Date: April 5, 2023

(Tiny, Ontario) This year, the Township of Tiny is encouraging the community to rally behind the Earth Week theme “Invest in Our Planet”, which highlights the importance of dedicating our time, resources, and energy to solving climate change and other environmental issues. This Earth Week get inspired and take action by investing in our planet and taking part in activities that promote a green community.

How can you get involved? We are hosting various activities, which include a cooking class using local and sustainable ingredients, a presentation from our partners at Severn Sound Environmental Association (SSEA) about shoreline naturalization and invasive species, a guided nature hike at Awenda Provincial Park, and more! All week long at the Municipal Office, we’re giving away free seed packets to help our community attract pollinators, hosting a book swap library, and accepting e-Waste (electronic waste).

Monday April 17 th	Tuesday April 18 ^h	Wednesday April 19 th	Thursday April 20 th	Friday April 21 st
Discovering Awenda: A Guided Nature Hike Through Ontario's Hidden Gem RSVP »	Farm-to-Table Feast: Sustainable Cooking with Local Flair with André Sanche Register »	Beach Bliss: Restoring Natural Shorelines & Managing Invasive Species Presentation RSVP »	Stop by the Municipal Office for some free pollinator seed packets, the book swap, and the e-Waste collection.	Trash Talk: Join Our Community Litter Pick-Up Challenge and Win Big!

For the complete schedule of events and to learn more about how the Township of Tiny is actively working towards Investing in Our Planet, visit www.tiny.ca/events. When we Invest in Our Planet together, we are supporting healthy, happy, and wealthy communities worldwide.

Litter Pick-Up Challenge

Join the challenge for a chance to win an Investing In Our Planet prize pack, which includes an AeroGarden In-Home Gardening System to help you grow fresh herbs and vegetables year-round.

To enter, pick up at least one bag of litter and email a photo to environment@tiny.ca!

“By being mindful of our effect on the earth, we can make small changes that add up to create a positive environmental impact,” said Mayor David Evans. “From participating in litter pickups to planting pollinator-friendly plants we can create a more sustainable future for ourselves and future generations.”
