

For immediate release

Applications open for the 2023 Township of Tiny Bursary Program

Date: April 18, 2023

(Tiny, Ontario) Each year, the Township of Tiny Bursary Program assists students who are entering their post-secondary education, including courses and training programs of a technical and vocational nature.

There are five bursaries available in the amount of \$1,000 each. Children of permanent and seasonal taxpayers in the Township of Tiny are eligible to apply. Approved applicants are not based on scholastic standing, but rather on the successful admission status to a post-secondary institution leading to a recognized degree, diploma, or certificate.

Applications must be submitted online no later than 4:30 p.m. on May 31, 2023, at www.tiny.ca/bursary. Applications received after the due date will not be eligible.

Bursary applications are anonymously vetted by a Selection Committee and scored based on a set criterion, consisting of the following four categories: volunteer experience, essay response, post-secondary education length, completeness, and comprehension.

"We are pleased to offer this bursary program to our students," said Mayor, David Evans. "Education is a key pillar of our community, and we believe that by investing in our young people, we are investing in the future of our Township."

The Township of Tiny wishes to make this process an easy one for applicants. For additional clarification or assistance with an application, please contact the staff member listed below or visit www.tiny.ca/bursary.
