### **Township of Tiny funding application now open for North Simcoe charities and not-for-profit organizations**

**Date:** January 3, 2024

The Township of Tiny's Mayor's Charity Golf Tournament funding application is now available for 2024 submissions. Over the course of 13 tournaments, the Township of Tiny has contributed more than \$436,000 to over 40 charitable and not-for-profit organizations in the North Simcoe community. In 2023, the tournament raised more than \$50,000 for 14 organizations.

To qualify for funding, the organization delivering the project must be a registered not-for-profit or registered charitable organization that has been in existence for more than one (1) year and be located in or providing services to North Simcoe. Unregistered groups may apply only if they are being sponsored by a not-for-profit group which is prepared to administer the funds.

"I am happy to share that applications for the Mayor's Charity Golf Tournament funding are now open," said Mayor David Evans. "We encourage organizations to read over the 2024 Funding Guide and Application and apply for the funding if you feel you meet the qualifying criteria. We are looking forward to seeing all of the great initiatives our local community partners are working on".

For more information about the grant, to find the [2024 Funding Guide and Application](#), or for additional clarification or assistance with the application process, please visit [www.tiny.ca/golf](http://www.tiny.ca/golf).

Interested parties are encouraged to complete the application and submit it no later than **4:30 p.m. on Wednesday, February 28, 2024**. Applications may be submitted by:
