Public Engagement for the Township of Tiny Administrative Centre

Date: June 10, 2024

TAKE NOTICE that the Township of Tiny is hosting three (3) additional Public Information Centres (PICs) to seek input on the public features the community would like to see in the Township of Tiny Administrative Centre (TTAC). The PICs will also provide an opportunity for feedback on the accessibility features of the facility. The first two PICs will be virtual on July 16 and July 23, 2024, and the third PIC will be hybrid (in-person and virtual) on July 31, 2024.

During the PICs, there will be a presentation that outlines a brief overview of the project milestones, and we will share interior and exterior renderings of the TTAC. The purpose of the PIC sessions is to seek constructive feedback from the community on the public features of the TTAC, such as: programming space (i.e. place for recreation programs, community events), public space (indoor and outdoor), and the accessibility features of each area.

The Zoom link for each PIC will be made available on the homepage of our website at www.tiny.ca – through this link you will be able to ask questions or provide feedback virtually on the public features of the building. The PICs will be live streamed and recorded for viewing following the PIC on the township's YouTube channel.

Registration for the hybrid session (Public Information Centre No. 3 on July 31, 2024) will be required **only** if you would like to speak virtually at this session – written questions or feedback can still be provided virtually without registering by using the Q and A function during the meeting.

The meeting dates and information are as follows:

Public Information Centre No. 1 – Virtual

Date: Tuesday, July 16, 2024

Time: 6:00 p.m. - 8:00 p.m.

Virtual: The link will be posted the day of the meeting at www.tiny.ca.
