## **Township of Tiny celebrates National Youth Week with free programs**

**Date:** April 28, 2025

**(Tiny, Ontario)** The Township of Tiny is excited to celebrate National Youth Week taking place May 1-7, by providing a variety of free programs for youth aged 12-18 years old throughout the week.

National Youth Week highlights achievements of young people, raises awareness about the issues they face, and creates opportunities for them to connect with each other and their communities. The township recognizes the importance of supporting youth development and remains committed to providing the tools and opportunities needed for them to thrive.

Each event will feature complimentary pizza, generously donated by Pizza Pizza of Tiny and Midland. Pre-registration is required for all programs.
