Farlain Lake Water Levels Public Information Centre (PIC)

Date: November 13, 2025

TAKE NOTICE that the Township of Tiny is hosting a Public Information Centre (PIC) to provide information on Farlain Lake water levels.

During the PIC, there will be a presentation that outlines a brief overview of the history and general information of Farlain Lake water levels as well as the Drainage Act process. The presentation will be followed by a question-and-answer period.

Questions and comments will be received from both in-person and online attendees about the Farlain Lake water levels. Inappropriate or duplicate questions/comments will not be accepted. In-person attendance is welcome on a first-come, first-served basis until the Council Chambers has reached a maximum capacity.

The Zoom link for the PIC will be made available on the homepage of our website at www.tiny.ca – through this link you will be able to ask questions or provide feedback virtually through the Q and A function during the meeting. The PIC will be live streamed and recorded for viewing following the PIC on the township's YouTube channel.

Date: Tuesday, November 25, 2025

Time: 6:00 p.m. - 8:00 p.m.

Location: Council Chambers, 130 Balm Beach Road W.

Virtual: The link will be posted the day of the meeting at www.tiny.ca.

This meeting is for information only. A future report(s) will be presented to Council at a later date for direction.
