### Temporary Lane Closure - Fiber Installation in Balm Beach Area

**Date:** February 26, 2026

Please be advised that Swoop Fiber is currently installing underground infrastructure to expand high-speed internet access within the community. Installation crews are presently working in the Balm Beach area, north of Balm Beach Road West.

Due to the narrow roadways and significant snowbank buildup in this area, there may be temporary restrictions to two-way traffic. The Township has spoken with the contractor to ensure that local access is maintained for residents, school buses, emergency services, and municipal service vehicles.

We kindly ask the public to be aware of these temporary conditions and to exercise patience should construction vehicles or equipment temporarily impede the roadway. Your cooperation will help ensure the work can be completed safely and efficiently.

Thank you for your understanding.
