Temporary Service Change – Tiny Beaches Road South between Concession 9 West and Concession 8 West

Date: May 14, 2026

TAKE NOTICE that the surface treatment will be temporarily removed from Tiny Beaches Road South between Concession 9 West and Concession 8 West. This section of road is scheduled to be repaved in June 2026.

To mitigate the challenges with excessive potholes and the inability to maintain a safe driving surface in this section, the roadway will be temporarily turned into a gravel road until repaving can be completed. The Public Works team will ensure the road is graded and dust suppression is applied to minimize any dust concerns.

We appreciate your patience and understanding as we prepare for the final asphalt application.
