

Construction Notice – Sawlog Point Road Well Replacement

Date: July 8, 2026

TAKE NOTICE that there will be construction activity in the area of Sawlog Point Road and Concession 20 East for a well replacement which will include drilling and related site works. The work is scheduled to begin on approximately July 15, 2026, and will carry through to mid-August, 2026, and take place between the hours of 7:00 a.m. to 7:00 p.m., Monday to Friday.

Please note that schedules are subject to change on occasion due to weather, equipment availability, drilling conditions, and other factors.

Work on the replacement well will not impact municipal water users on the Georgian Bay Estates Drinking Water System.

The work will involve the use of drilling equipment, support vehicles, and large trucks. This equipment and activity can be attractive to children, and as such, we ask that you caution your children to stay clear of the working area. If they must walk by or through the work area, an adult should accompany small children. Please use extra caution during construction to ensure everyone's safety, and follow all signage and personnel.

A key map is available on page two of this notice.
