THAT Municipal Law Enforcement Report MLE-036-19 regarding Short Term Rental Properties, be received;

AND THAT staff be directed to report back on what other Ontario municipalities are doing to regulate short-term rental properties with the aim to:

- Increase availability of affordable housing;
- Increase municipal revenue through licensing/regulation;
- Decrease community disruption as a result of short term rentals;

AND FURTHER THAT the report include estimates of costs associated with implementing a licensing and regulation program.
