June 4, 2021

Dear Sir or Madam,

**Re: Changes to Roadside Parking – Champlain Road
Between #2525 and #2605 Champlain Road (Both Sides)
Ref: Municipal Law Enforcement Report MLE-016-21**

Each year, Council reviews and implements various changes to improve the parking systems in the Township of Tiny. These changes have been based on public feedback from residents and visitors to our Township.

One of the concerns identified was improved signage on this section of road. Staff prepared the above referenced report after reviewing the 2020 parking issues as a result of the pandemic at the various locations throughout the Township.

In the case of Champlain Road (both sides) between #2525 and #2605 Champlain Road, staff completed an onsite inspection. Using the established criteria for emergency roads, staff determined parking should be prohibited as identified on the attached map to improve road safety and clarify parking expectations. Subsequently, Council approved this change at the April 28, 2021 Council Meeting. At the June 30, 2021 Committee of the Whole meeting, the necessary Parking By-law amendment will be presented for formal approval.

You are being provided notice of this change as your property is adjacent to and within 50 meters of the parking changes. Full details are available on our website at www.tiny.ca on the Parking Webpage.

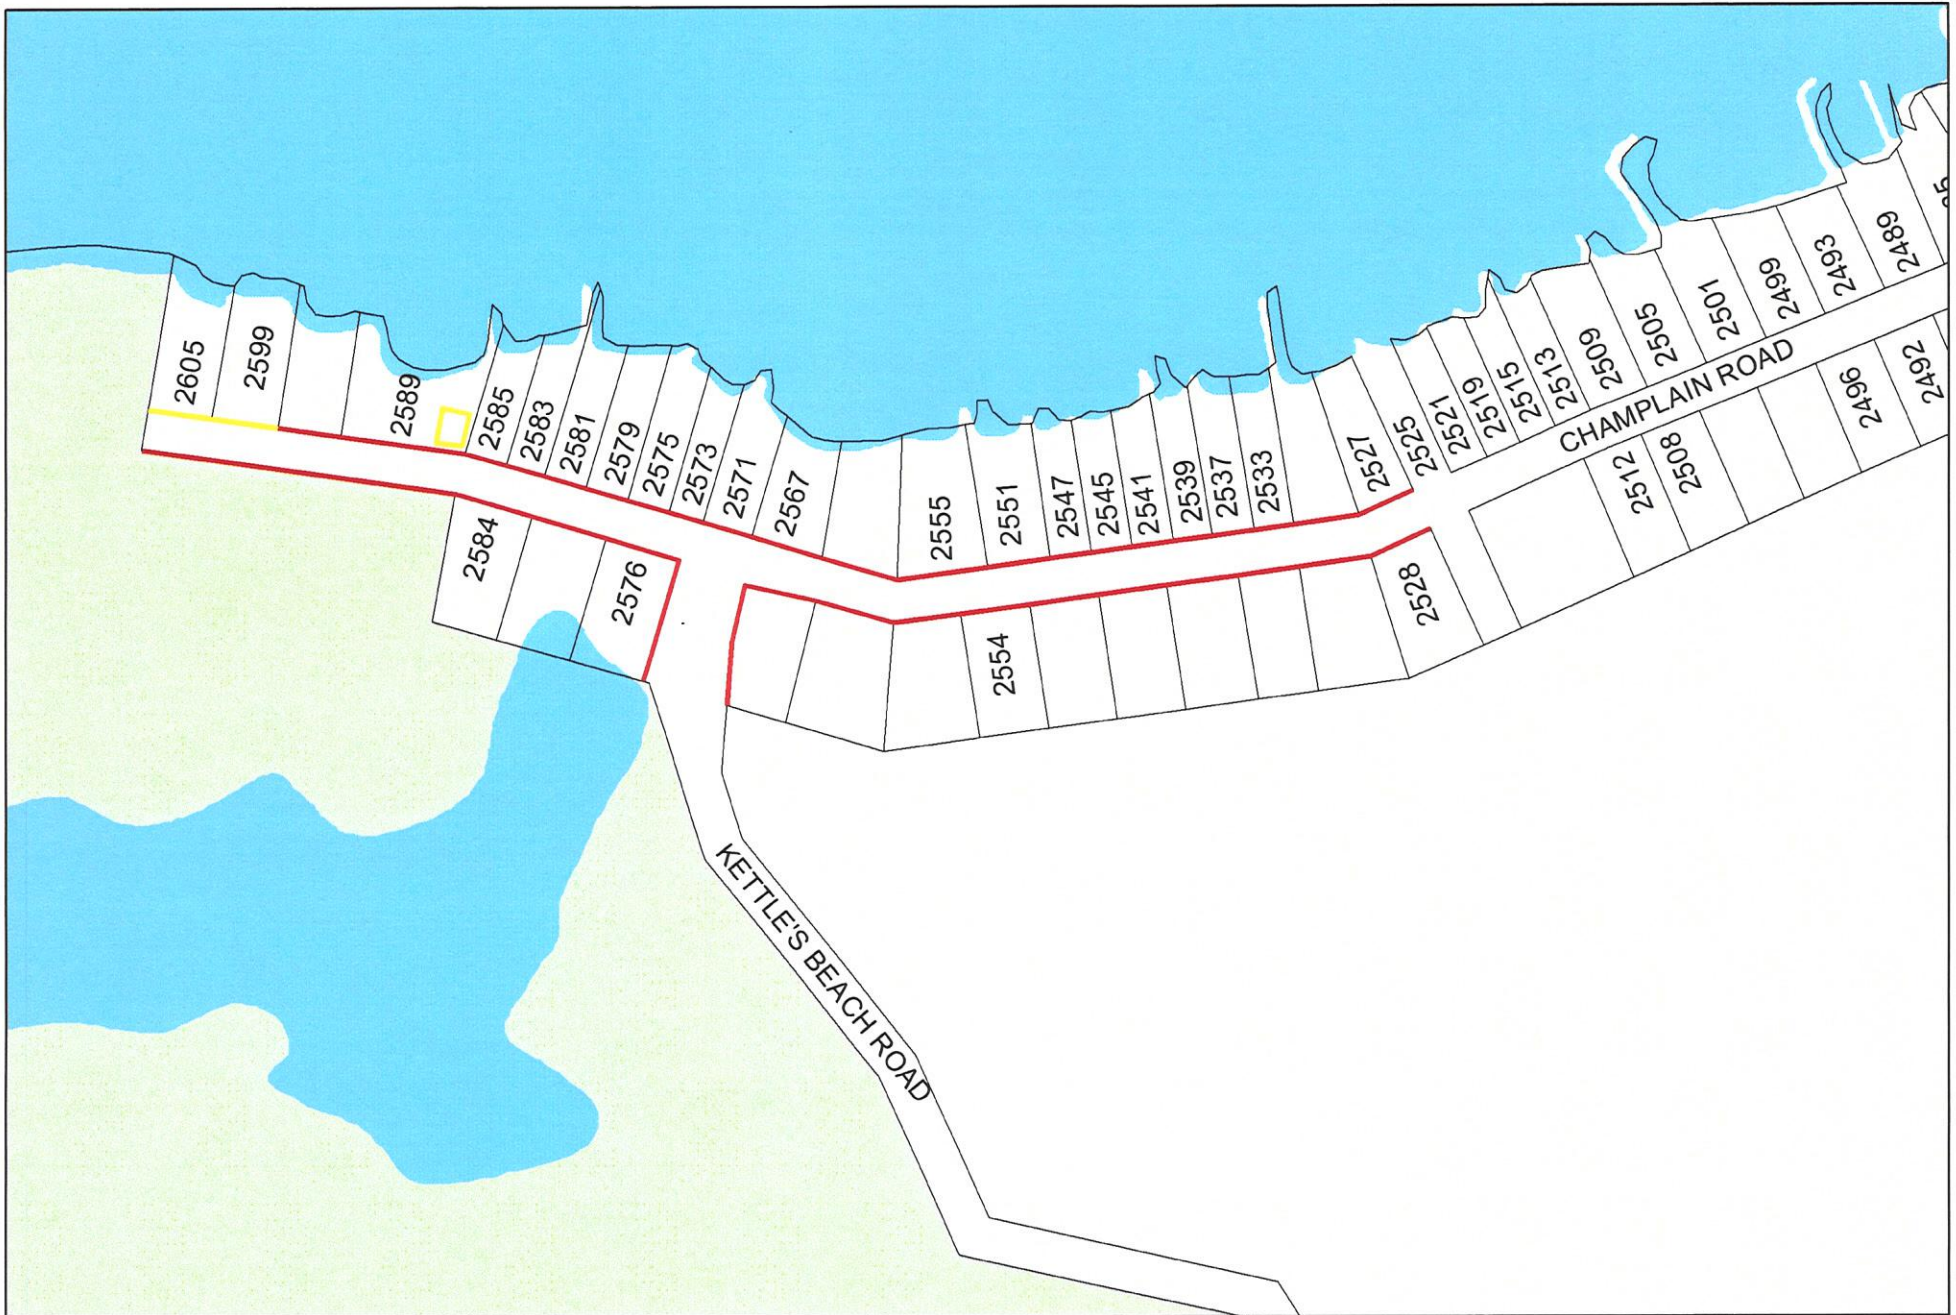

Sincerely,

The Corporation of the Township of Tiny

Steven Harvey, CMLEO/CPSO
Chief Municipal Law Enforcement Officer

cc Mayor and Members of Council
Robert Lamb, CAO
