Dear Customer:

As of May 26, 2017, CRH Canada Group Inc. acquired the assets of K.J. Beamish Construction Co., Limited, including Cedarhurst Quarries & Crushing Ltd, which will now become part of Dufferin Aggregates, a division of CRH Canada. On behalf of CRH Canada, I would like to welcome you as a business partner of our company.

CRH Canada Group Inc. is a leading manufacturer of cement, aggregates and ready-mix concrete and provides construction services to many of Canada's largest infrastructure projects. With over 3,000 employees, CRH Canada operates across Canada, including Dufferin Aggregates in Ontario, the Great Lakes region and the Northwest U.S. CRH Canada is a subsidiary of CRH plc, headquartered in Ireland and one of the top three international building materials companies in the world, with a strong track record of performance and a clear commitment to safety and ethical business practices.

Over the years, Cedarhurst Quarries & Crushing Ltd has built a reputation for providing high quality products, personalized customer service, and developing long-standing relationships and strong customer loyalty in their local markets; Dufferin Aggregates and CRH Canada are proud to continue this tradition.

Rest assured, we will continue to serve your needs but hope to also bring value to your business by providing you direct access to our delivery network and full range of our construction materials and related services. I look forward to working with you, now and well into the future, and to the success of this important growth opportunity for our companies.

Sincerely,

Dan O'Hara
General Manager
Dufferin Aggregates
A division of CRH Canada Group Inc.
