

Municipal Heritage Register

The Municipal Heritage Register allows for the promotion, protection and preservation of the Township of Tiny's rich heritage found in properties that hold cultural heritage value. Such value may be found in a property's age, history or architectural characteristics. A property may be officially designated under the *Ontario Heritage Act* or listed as having heritage value to the Township. More information on these properties, as well as the difference between designated and listed properties, can be found on our website at <http://www.tiny.ca/Pages/LocalHeritage> or at the Municipal Office.
