WHEREAS the Committee of the Whole considered the correspondence dated August 23, 2021, from Dave Hopkins and Harold Faulkner, R.J. Burnside & Associates, regarding the CRH Canada Group Inc. OWRA S53 Environmental Compliance Application for the on-site wash water facility at the Teedon Pit;

AND WHEREAS the matter was deemed time sensitive in nature;

NOW THEREFORE BE IT RESOLVED THAT Council directs staff to submit comments to the Province as follows:

That the Township of Tiny recommends that no decision be made on the application until the applicant satisfies all the outstanding matters as outlined in the August 23, 2021 R.J. Burnside and Associates Ltd. letter;

And further that Council directs that the comments include a statement that the Township requests the Ministry to require that any permanent or temporary silt or sump pond(s) constructed on the site be lined.
