

Water Treatment and Servicing Master Plan Municipal Class Environmental Assessment – Notice of Study Commencement

Date: July 28, 2023

TAKE NOTICE that the Township of Tiny is undertaking a Master Plan Class Environmental Assessment (Master Plan) to identify the preferred approaches and solutions for the supply and treatment of municipal drinking water to existing and future residents. The Master Plan will develop and evaluate options for increasing the resiliency of the township's 16 municipal drinking water systems and for expansion of the systems to accommodate anticipated growth in Tiny.

The Master Plan will be completed in accordance with the Master Plan requirements following Approach No. 1 of the Municipal Engineers Association (MEA) Municipal Class Environmental Assessment (October 2000, amended in 2007, 2011, 2015 and 2023).

To ensure that anyone interested in this study has the opportunity to get involved and provide input, public consultation will take place over the course of the study, including two Public Information Centres. Visit the project webpage at <https://www.tiny.ca/WaterMasterPlan> to stay informed. Residents and interested parties can subscribe to the Township of Tiny website's News and Updates webpage (www.tinyconnect.ca) to be informed of updates and notices via email, text, voice mail, or TTY/TDD.

If you have any questions or concerns, and/or would like to be added to the study's direct mailing list, please contact the study representative below:

Jason Covey
