

Water Treatment and Servicing Master Plan Municipal Class Environmental Assessment – Notice of Public Information Centre No. 2

Date: May 14, 2024

TAKE NOTICE that the Township of Tiny is undertaking a Master Plan Class Environmental Assessment (Master Plan) to identify the preferred solutions for the supply of municipal drinking water to existing and future residents. The assessment is considering solutions to increase the resiliency of the township's 16 municipal drinking water systems and to accommodate the anticipated growth.

The Master Plan follows the requirements of the Municipal Engineers Association (MEA) Municipal Class Environmental Assessment (as amended in 2023).

Public Information Centre No. 2

Public Information Centre (PIC) No. 2 will be held in-person and virtually to provide an opportunity for the public to review and provide input on the water infrastructure alternative solutions. There will be a presentation followed by a question-and-answer period.

Date: Tuesday, June 4, 2024

Time: 6:00 p.m. to 8:00 p.m.

Location: Township of Tiny Council Chambers, 130 Balm Beach Road West

Virtual attendees can join the meeting by accessing the Zoom link that will be available on the project webpage at www.tiny.ca/WaterMasterPlan. The presentation will be recorded and posted on the project webpage following the PIC.

Comments will be accepted until June 21, 2024, by email at jcovey@tathameng.com. Comments can also be submitted during the PIC or by using the online comment form on the project webpage. Following PIC No. 2, comments will be reviewed, the alternatives for the future direction of the water systems will be evaluated based on the information received, and the preferred solution(s) will be selected.

Residents and interested parties can subscribe to the Township of Tiny's notification system online at www.tinyconnect.ca to obtain updates and notices via email, text, voice message, or TTY/TDD.

For more information about the Master Plan or the PIC, visit Tiny's website at www.tiny.ca/WaterMasterPlan.
